

FOR IMMEDIATE RELEASE: August 20, 2012

Metal Coaters Georgia Reaches Safety Milestone

Marietta, GA (August 20, 2012) – The Safety and Risk Management team of Metal Coaters, one of the largest toll processing coil coating companies in the United States, acknowledged the plant management, manufacturing, office, and sales employees of Metal Coaters of GA, Plant II for accomplishing the extraordinary milestone of working injury free for the past five years.

As a subsidiary of NCI, Inc., Metal Coaters proudly displays the safety mantra of “Safety is not a gift – it is an achievement. It is an honest and persistent effort to do the right thing under any and all circumstances.” As of July 17, 2012, the Metal Coaters of GA Plant II employees could proudly say that they worked diligently for over 209,000 hours demonstrating the hard work and commitment that this team puts into their safety program.

Michael Jordan, Asst. Corp. Safety Mgr., stated that “As this team moves forward, the challenge ahead will be to continue this positive mindset and maintain an injury free work environment.”

About Metal Coaters

Metal Coaters uses state-of-the-art techniques to clean, pre-treat, and roll-apply organic coatings in a continuous process on Hot Dipped Galvanized, Galvannealed, Galvalume®, Cold Rolled, Electro-Galvanized Steel and Aluminum Coils.

As a full service coil coater, Metal Coaters offers a complete line of coating finishes including Polyesters, Silicone Modified Polyesters (SMP), Fluorocarbons (PVDF), and Plastisol (PVC). Coatings are available for interior or exterior and for warranted or non-warranted applications. Additionally, Metal Coaters® has slitting and embossing capabilities performed separate from the coil coating processes on dedicated production lines.
